

## CISA Minutes 11-6-14

- DDI Results not 100% in yet—better for December
- Curriculum Advisory Panel
  - CISA now in charge of proposals
  - Erica made some exec. Decisions—only changing curriculum/text to be brought to CISA, change in graduation standards
    - Physics, Chemistry, Biology (to be suggested as required grad requirements, would then need to go to the board)
  - Deadline Monday the 17<sup>th</sup>
  - Proposals for December meeting (December 4<sup>th</sup>)
- SMART Goals
  - Upper School done
  - Lower school until mid-November
  - Mostly not aligned to MCAs
  - Used more of DDI testing
  - Discussion of level of rigor for some teachers
  - School-wide goal
    - Looking at MCA Z scores? (Expected growth), picture of high, medium and low growth
    - Looking less for overall proficiency, more individual student focus
      - Decrease number of students with low growth
