Dear Eagle Ridge Academy Community,

The purpose of this letter is to inform you that the Board of Directors will be voting on May 28 to update Policy 504: Student Dress and Appearance. This school policy outlines expectations for school uniforms and is used as the guide when administration is creating policies for the Student Handbook.

Policy 504 outlines that the objective of Eagle Ridge Academy's uniform policy is to provide students with a uniform that portrays a business like appearance. The newly updated policy will be removing gender-specific uniform requirements in order to standardize and simplify enforcement, as well as to provide comfortable uniform options for all students.

Mr. Jason Ulbrich, along with representatives of the Board of Directors, will be hearing comments and questions regarding this proposed change during the Gryphon Conversation session on Friday, May 15. You can sign up for this session [here](#), as well as from the link posted in the most recent [Eagle Eye](#).

Sincerely,

John Schwartz
Board Chair
