

August 2020 Update

Our hope is for all to continue to be safe. As we navigate these uncertain times together, the safety and well-being of our customers, employees, and the communities we serve remains our top priority.

We are encouraging as much **Online** shopping as possible for the safety of all.

Curbside Pick Up

We are offering curbside pickup. Please wait for us to call or email you when your order is ready. After that you can pick it up at your leisure during our store hours. Call 952-927-6778, and we will bring your order out to you.

We are only allowing a limited number of families in the store at any given time. We encourage you to shop as early as possible. With the increase in enrollments there could be a delay in getting some inventory with factories having to shut down last spring due to Covid 19, and we will be contacting schools to let them know.

Appointments

*Masks are required in the store
We are asking customers to make an appointment to shop. Please make an appointment found under the "Appointments" tab at: www.minnesota.educationaloutfitters.com

We ask to limit the size of your group to students to be fitted and one adult.

When it is your turn, we will direct you to a dressing room and ask that you remain there while being fitted. We will retrieve the items you need for trying on. Barriers may be added to portions of the store to be used by employees only.
